

Collection, Use and Disclosing of Personal Information

To comply with privacy legislation the association must gain consent for the collection, use and disclosure of personal information.

Definition: The Association is the Dorchester District Athletic Association

Personal Information includes information provided to the association;

- ~ by the player, their family or guardian, or the person registering the player.
- ~ at the time of, or after, registration.

I understand and consent to the collection, use, and disclosure of personal information provided to the association to allow the association, including the association's representatives, associated baseball leagues, coaches and volunteers to disclose personal information to:

- ~ permit the association's coaches and volunteers to contact players and their families regarding schedules, game information, and good-faith-bond volunteer activities.
- ~ assist any emergency personnel with first aid or emergency situations
- ~ comply with league and regulatory requirements
- ~ mail (including email) notices and announcements to our players, their families, coaches and volunteers
